

MOUNTAIN MEADOWS GOLF CLUB MEMBERS COVID-19 message

To ensure that staff and golfers stay safe and everyone still enjoy a golf game, the board of Mountain Meadows has implemented the following guidelines:

- Tee times are mandatory
- Practice proper hygiene and social distancing
- There will be no removal of flag pins and bunker rakes will not be used.
- 1 person per cart unless you cohabit
- The clubhouse and outdoor patio will be open with some limitations
- Clubhouse and on-course #3 toilet will be open. #5 toilet is closed until further notice

These practices will change your golf experience slightly but should, with your compliance provide a safe and healthy recreational outlet.

Thank you.

Mountain Meadows Golf Executive
